THE NEIGHBOURHOOD STORY

Dublin, Ireland's vibrant capital on the River Liffey, seamlessly blends over 1,000 years of history with a thriving modern culture. Founded as a Viking settlement, the city is renowned for its medieval landmarks, elegant Georgian architecture, rich literary heritage as the birthplace of writers such as Oscar Wilde and James Joyce, and its welcoming atmosphere, where traditional Irish music, historic pubs, and a vibrant arts scene celebrate the country's enduring heritage.
